Reference letter

To Whom it may concern:

Dear Sir/Madam,

This is to confirm that I have been dealing with Elsie De Villiers from TRIPLE EEE with regards to the trainings we have implemented in our organization, which is Business Administration, and previously we had engaged in unemployed learnership programmes.

My experience has been good, in a sense that I have received good treatment from TRIPLE EEE in terms of dealing with the process of enrolling the students, facilitation etc. I have been provided with relevant information, and updates. The response time is also exceptional.

I feel that this was the best programme to enrol our employees in, as it has assisted them in many ways than one.
