RE: Services rendered by Triple E Training (Pty) Ltd

We would gladly recommend Triple E Training (Pty) Ltd for your learnership and skills development projects.

Triple E Training (Pty) Ltd consistently delivers on agreed projects. Their value proposition includes sourcing and accommodating learners in a professional way, whilst providing comprehensive feedback at conclusion of the projects.

The company has been a supplier to us over the past 5 years. The services we received included bursary schemes, training and skills development.

We are highly confident in our recommendation and believe that Triple E Training would be a great partner for any business.

Yours sincerely,

JJP Meyer
