**Re: Reference Letter – Triple E Training**

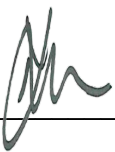

Packsolve Packaging and Packsolve Drums would like to thank Triple E Training for the great contribution that they have made towards the development of our employees since 2018.

The learners are enjoying the virtual ABET classes and management have noticed significant improvements in their numeracy and literacy skills.

Thank you to Magda, Denise, and the rest of the team for their professional service and willingness to go the extra mile to accommodate our changing business needs.

We would highly recommend Triple E Training for all ABET related programmes.

Regards,
