TO WHOM IT MAY CONCERN

This serves to confirm that Triple E Training have been used by Lombard Insurance for training of staff over the past 7 years and they have proved to be indeed a "ONE STOP HAVEN" for our Training needs.

We have found them to be extremely thorough, efficient and on an educational level of the highest quality with competent coaches, very diligent and committed.

Their professional approach with a rare skill most of their trainers possess, to communicate with students (staff) on either higher or lower level as and when circumstances dictate.

We gladly recommend Triple E to anybody who may be interested to use their services and you are welcome to contact me should there be a desire to do so.

Yours Faithfully,
